

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Jones
DOCKET NO.: 20-00749.001-R-1
PARCEL NO.: 04-03-300-110

The parties of record before the Property Tax Appeal Board are Paul Jones, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,079
IMPR.: \$38,035
TOTAL: \$51,114

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction¹ with 1,420 square feet of living area. The dwelling was constructed in 1952.² Features of the home include a crawl space foundation and central air conditioning. The property has an approximately 52,072 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.60 of a mile to 1.59 miles from the subject. The parcels range in size from 8,834 to 11,252 square feet of land area

¹ Additional details regarding the subject not reported by the appellant are found in the subject's property record card submitted by the board of review.

² The parties differ regarding the age of the subject dwelling. The Board finds the best evidence of age is found in the subject's property record card which was not refuted by the appellant in written rebuttal.

and are improved with 1-story homes ranging in size from 720 to 960 square feet of living area. The dwellings were built from 1947 to 1959. Each home has a garage ranging in size from 264 to 864 square feet of building area. One home has central air conditioning. The comparables sold from April 2019 to May 2020 for prices ranging from \$103,000 to \$139,000 or from \$142.71 to \$162.68 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$46,087 which would reflect a market value of \$138,275 or \$97.38 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,114. The subject's assessment reflects a market value of \$153,542 or \$108.13 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from 0.98 of a mile to 1.45 miles from the subject. The parcels range in size from 7,000 to 34,780 square feet of land area and are improved with 1-story homes of wood siding exterior construction with either 1,416 or 1,540 square feet of living area. The dwellings were built from 1948 to 1951. Two homes each have a crawl space foundation and one home has a concrete slab foundation. One home has central air conditioning and two fireplaces. Each comparable has a garage ranging in size from 440 to 728 square feet of building area. The comparables sold from May 2019 to October 2020 for prices ranging from \$161,500 to \$170,000 or from \$104.87 to \$119.99 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which are significantly smaller homes than the subject dwelling.

The Board finds the best evidence of market value to be the board of review's comparables, which are similar to the subject in dwelling size, age, and most features, although these properties have much smaller lots than the subject. These most similar comparables sold from May 2019 to October 2020 for prices ranging from \$161,500 to \$170,000 or from \$104.87 to \$119.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$153,542 or \$108.13 per square foot of living area, including land, which is below the

range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
