

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Foster  
DOCKET NO.: 20-00777.001-R-1  
PARCEL NO.: 13-11-400-333

The parties of record before the Property Tax Appeal Board are Michael Foster, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,693  
**IMPR.:** \$161,711  
**TOTAL:** \$178,404

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story condominium unit of wood siding exterior construction with 2,789 square feet of living area. The dwelling was constructed in 1997 and is approximately 23 years old. Features of the home include a walk-out basement with finished area, central air conditioning, two fireplaces, and a garage containing 440 square feet of building area. The property has an approximately 2,790 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables range from 25 to 32 years old and consist of two-story condominium units of wood siding exterior construction with 2,637 square feet of living area. Each dwelling has central air conditioning, two fireplaces, a basement with finished area with

three having a walk-out design, and a 528 square foot garage. The parcels each have 2,635 square feet of land area. The comparables sold from October 2018 to July 2020 for prices ranging from \$350,000 to \$408,000 or from \$132.73 to \$154.72 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$131,808.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$178,404. The subject's assessment reflects a market value of \$535,909 or \$192.15 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject property and consist of two-story condominium units of wood siding exterior construction with 2,637 square feet of living area. Each dwelling has central air conditioning, two fireplaces, a basement with finished area with two having a walk-out design, and a 528 square foot garage. The parcels each have 2,640 square feet of land area. The comparables sold from March 2019 to April 2020 for prices ranging from \$515,000 to \$525,000 or from \$195.30 to \$199.09 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #3 due to its more remote sale date for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be the remaining comparables, which are similar to the subject in location, design, age, and features except each has a slightly smaller dwelling size. These most similar comparables sold from March 2019 to July 2020 for prices ranging from \$367,500 to \$525,000 or from \$139.36 to \$199.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$535,909 or \$192.15 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis but above the overall market value range. This appears to be logical given its larger dwelling size. Based on this evidence and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
