

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen A. Foerster
DOCKET NO.: 20-00778.001-R-1
PARCEL NO.: 13-27-200-021

The parties of record before the Property Tax Appeal Board are Stephen A. Foerster, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$92,920
IMPR.: \$125,139
TOTAL: \$218,059

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 4,353 square feet of living area. The dwelling was constructed in 1948 and is approximately 72 years old.¹ Features of the home include an unfinished basement, central air conditioning, a fireplace and a garage containing 686 square feet of building area. The property has a 217,800 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables consist of one-story dwellings of brick, vinyl, or wood siding exterior construction that were

¹ The property record card submitted by the board of review lists the subject property as having an effective age of 1970.

between 48 and 81 years old. The homes range in size from 3,045 to 4,183 square feet of living area. Each dwelling has one or two fireplaces and a garage ranging in size from 552 to 1,152 square feet of building area. Comparables #2 and #3 have central air conditioning. Each dwelling has a basement, with comparables #2 and #3 having 448 and 1,310 square feet of finished area, respectively. The comparables have improvement assessments ranging from \$59,679 to \$103,962 or from \$16.41 to \$24.85 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$92,443 or \$21.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$218,059. The subject property has an improvement assessment of \$125,139 or \$28.75 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of one-story dwellings of brick, brick and stucco, wood siding, or brick and wood siding exterior constructions that were built between 1950 and 1967, with effective ages between 1966 and 1980. The homes range in size from 3,590 to 4,587 square feet of living area. Each comparable has a basement with comparables #2 and #4 having finished area of 2,000 and 3,000 square feet of finished area, respectively. Each comparable has central air conditioning, one to five fireplaces, and a garage and/or garages ranging in size from 672 to 1,400 square feet of building area. Comparables #2, #3, and #4 have swimming pools. The comparables have improvement assessments ranging from \$134,981 to \$194,291 or from \$32.30 to \$42.36 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to their dwelling size, finished basement area, and/or age as compared to the subject property. The Board has also given reduced weight to board of review comparables #2, #3, and #4 due to their dissimilar age, swimming pools, and/or finished basement area when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #5. These two comparables have improvement assessments of \$134,981 and \$154,976 or \$32.30 and \$38.94 per square foot of living area, respectively. The subject's improvement assessment of \$125,139 or \$28.75 per square foot of living area falls below the range established

by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
