

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Craig
DOCKET NO.: 20-00785.001-R-1
PARCEL NO.: 13-16-203-031

The parties of record before the Property Tax Appeal Board are Robert Craig, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,552
IMPR.: \$155,070
TOTAL: \$183,622

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,424 square feet of living area.¹ The dwelling was constructed in 1985 and is approximately 35 years old. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 690 square foot attached garage. Other improvements of the subject include a wood deck and a 192 square foot metal utility shed. The property has an approximate 30,785 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity

comparables with the same assessment neighborhood code as the subject and located from 0.31 of a mile to 1.28 miles from the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,092 to 3,636 square feet of living area. The dwellings range in age from 29 to 32 years old. The comparables each have a full basement, two of which have finished area. Each comparable has central air conditioning, one or two fireplaces, and an attached garage that ranges in size from 640 to 888 square feet of building area. The comparables have improvement assessments that range from \$107,844 to \$141,024 or from \$30.33 to \$41.19 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$121,513 or \$35.49 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,622. The subject property has an improvement assessment of \$155,070 or \$45.29 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .27 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding, vinyl siding, or wood siding and brick exterior construction ranging in size from 3,164 to 3,461 of living area. These comparables each have a full basement, three of which have finished area with one of these also being a walk-out style. Each comparable has central air conditioning, from one to four fireplaces and an attached garage that ranges in size from 704 to 1,100 square feet of building area. Comparables #1, #2, #4 and #5 each have a wood deck and comparable #2 also has an inground swimming pool. The comparables have improvement assessments ranging from \$151,764 to \$167,689 or from \$45.99 to \$49.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 as well as board of review comparables #1, #2 and #5 due to their basement finish when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size and most features. These comparables have improvement assessments ranging from \$138,694 to \$167,689 or from \$40.77 to \$48.45 per square foot of living area. The subject's improvement assessment of \$155,070 or \$45.29 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when

compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
