

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Neil Peplinski
DOCKET NO.: 20-00797.001-R-1
PARCEL NO.: 13-12-201-008

The parties of record before the Property Tax Appeal Board are Neil Peplinski, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,911
IMPR.: \$78,550
TOTAL: \$144,461

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,896 square feet of living area. The dwelling was constructed in 1956 and is approximately 64 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 672 square feet of building area. The property has an approximately 103,560 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject property and are 49 to 68 years old. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 2,149 to 2,370 square feet of living area. Each dwelling has central air conditioning and a garage

ranging in size from 441 to 576 square feet of building area. Each dwelling has a basement with two having finished area. Two of the comparables each have two fireplaces. The parcels range in size from 176,091 to 304,920 square feet of land area. The comparables sold from November 2018 to December 2019 for prices of \$427,500 or \$438,000 or from \$184.81 to \$198.93 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$121,849.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,461. The subject's assessment reflects a market value of \$433,947 or \$228.88 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales. The comparables are located in the same neighborhood code as the subject property and consist of one-story dwellings of wood siding exterior construction with 1,775 and 1,858 square feet of living area. The comparables were built in 1965 and 1966, with comparable #2 having an effective age of 1976. Each dwelling has central air conditioning, two fireplaces, a basement with finished area, and an attached garage with 520 or 600 square feet of building area. Comparable #2 also has a detached 330 square foot garage. The parcels have 50,950 and 58,370 square feet of land area. The comparables sold November 2020 and August 2019 for prices of \$495,000 and \$500,000 or \$278.87 and \$269.11 per square foot of living area, including land, respectively. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal to the appellant's submission, the board of review stated that all of the appellant's comparables had larger dwellings and larger parcels than the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 and #2 due to their newer age or more remote sale date for valuation as of January 1, 2020. The Board also gives reduced weight to board of review comparable #2 due to its newer effective age and detached garage when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sale #1. These most similar comparables sold in December 2019 and November 2020 for \$427,500 and \$495,000 or \$198.93 and \$278.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$433,947 or \$228.88

per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
