

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Albrecht  
DOCKET NO.: 20-00835.001-R-1  
PARCEL NO.: 10-33-202-007

The parties of record before the Property Tax Appeal Board are Robert Albrecht, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$34,744  
**IMPR.:** \$183,899  
**TOTAL:** \$218,643

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,502 square feet of living area. The dwelling was constructed in 2006 and is approximately 14 years old. Features of the home include a full walk-out basement with finished area, central air conditioning, one fireplace, a 701 square foot attached garage and a gazebo.<sup>1</sup> The property has an approximate 18,000 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .46 of a mile from the subject property. The comparables are improved with two-story dwellings of

brick or wood siding exterior construction that range in size from 3,834 to 4,989 square feet of living area. The dwellings are each 15 years old. The comparables each have a full basement, two of which are walk-outs with finished area. Each comparable has central air conditioning, one fireplace, and an attached garage ranging in size from 672 to 741 square foot of building area. The comparables have improvement assessments ranging from \$128,807 to \$175,145 or from \$32.64 to \$35.29 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$153,743 or \$34.15 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$218,643. The subject property has an improvement assessment of \$183,899 or \$40.85 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same neighborhood code as the subject and located within .38 of a mile from the subject. The comparables are improved with two-story dwellings of brick or brick and wood-siding exterior construction that range in size from 4,223 to 5,247 square feet of living area. The dwellings were built from 2005 to 2009. The comparables each have a full basement, four of which have finished area and two are walk-outs. Each comparable has central air conditioning, one or three fireplaces, and an attached garage ranging in size from 726 to 917 square feet of building area. The comparables have improvement assessments ranging from \$171,289 to \$198,349 or from \$36.46 to \$42.07 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 through #4 as well as board of review comparables #1 and #2 due to their dissimilar dwelling sizes and/or unfinished basements when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, basement finish, and some features. These comparables have improvement assessments ranging from \$138,315 to \$184,878 or from \$32.64 to \$42.07 per square foot of living area. The subject's improvement assessment of \$183,899 or \$40.85 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
