

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angelo Roncone  
DOCKET NO.: 20-00836.001-R-1  
PARCEL NO.: 06-02-106-010

The parties of record before the Property Tax Appeal Board are Angelo Roncone, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,456  
**IMPR.:** \$57,829  
**TOTAL:** \$67,285

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a raised ranch-style dwelling of wood siding exterior construction with 1,153 square feet of living area. The dwelling was constructed in 1976 and is approximately 44 years old. Features of the home include a lower level with finished area, central air conditioning, and a 572 square foot garage. The property has a 13,995 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located from 0.55 of a mile to 1.18 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with raised ranch-style dwellings of wood siding exterior construction ranging in size from 864 to 1,108 square feet of living area. The homes range in age from 41 to 50 years old.

Each home has a lower level with finished area, central air conditioning, and a garage ranging in size from 440 to 576 square feet of building area. One home has a fireplace. The comparables have improvement assessments ranging from \$31,044 to \$37,903 or from \$34.21 to \$35.93 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$40,672 or \$35.28 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,285. The subject property has an improvement assessment of \$57,829 or \$50.16 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.06 of a mile to 1.08 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with raised ranch-style dwellings of wood siding exterior construction ranging in size from 1,192 to 1,258 square feet of living area. The homes were built from 1975 to 1983. Each home has a lower level with finished area, central air conditioning, a fireplace, and a garage ranging in size from 440 to 550 square feet of building area. One comparable has an inground swimming pool. The comparables have improvement assessments ranging from \$62,081 to \$64,193 or from \$49.35 to \$52.36 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4, due to significant differences from the subject in dwelling size. The Board gives less weight to the board of review's comparable #1, which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review's comparables #2 through #5, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$36,673 to \$63,759 or from \$34.21 to \$52.36 per square foot of living area. The subject's improvement assessment of \$57,829 or \$50.16 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
