

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nadine Fraulini  
DOCKET NO.: 20-00840.001-R-1  
PARCEL NO.: 02-28-404-053

The parties of record before the Property Tax Appeal Board are Nadine Fraulini, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,937  
**IMPR.:** \$103,051  
**TOTAL:** \$120,988

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,024 square feet of living area. The dwelling was constructed in 1999 and is approximately 21 years old. Features of the home include a full walkout basement, central air conditioning, two fireplaces, and a 757 square foot garage. The property has a 22,651 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.05 to 0.28 of a mile from the subject property. The parcels range in size from 17,424 to 24,829 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,726 to 2,856 square feet of living area. The dwellings range in age from 18 to 20 years old. Each home has a full basement, central air conditioning, a fireplace, and a garage ranging in

size from 450 to 693 square feet of building area. The comparables sold from April 2018 to August 2019 for prices ranging from \$255,000 to \$330,000 or from \$89.29 to \$117.52 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$108,990 which would reflect a market value of \$327,003 or \$108.14 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,988. The subject's assessment reflects a market value of \$363,436 or \$120.18 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.16 to 0.29 of a mile from the subject property. The parcels range in size from 16,550 to 24,390 square feet of land area and are improved with 2-story homes of wood siding exterior construction with either 2,808 or 2,986 square feet of living area. The dwellings were built from 2000 to 2002. Each home has a full basement, central air conditioning, a fireplace, and a garage ranging in size from 651 to 941 square feet of building area. Comparable #5 has an inground swimming pool. The comparables sold from March to October 2020 for prices ranging from \$349,000 to \$387,000 or from \$116.88 to \$137.82 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #5, which has an inground swimming pool that is not a feature of the subject. The Board gives less weight to the appellant's comparable #3, which sold less proximate in time to the assessment than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #4 and the board of review's comparables #1 through #4, which are similar to the subject in dwelling size, age, location, and most features and sold proximate in time to the January 1, 2020 assessment date. These most similar comparables sold from May 2019 to October 2020 for prices ranging from \$255,000 to \$380,000 or from \$89.29 to \$135.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$363,436 or \$120.18 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate

adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
