

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Nass  
DOCKET NO.: 20-00851.001-R-1  
PARCEL NO.: 10-23-304-008

The parties of record before the Property Tax Appeal Board are Michael Nass, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,858  
**IMPR.:** \$82,927  
**TOTAL:** \$102,785

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,357 square feet of living area. The dwelling was constructed in 1972 and is approximately 48 years old. Features of the home include a partial basement, central air conditioning, a fireplace, and a 441 square foot garage. The property has an approximately 13,947 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 11,199 to 12,401 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,357 to 2,800 square feet of living area. The homes are either 37 or 47 years old. Each home has a full or partial basement, central air conditioning, a

fireplace, and a garage ranging in size from 441 to 690 square feet of building area. The comparables sold from April 2018 to June 2019 for prices ranging from \$287,765 to \$336,900 or from \$112.50 to \$122.10 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$92,472 which would reflect a market value of \$277,444 or \$117.71 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,785. The subject's assessment reflects a market value of \$308,756 or \$131.00 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 10,690 to 14,410 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 1,824 to 2,591 square feet of living area. The dwellings were built from 1970 to 1975. Three homes each have a full or partial basement, two of which have finished area, and one home has a crawl space foundation. Each home has central air conditioning and a garage ranging in size from 400 to 441 square feet of building area. Three homes each have a fireplace. The comparables sold from April 2019 to September 2020 for prices ranging from \$250,000 to \$332,900 or from \$128.48 to \$137.06 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, due to substantial differences from the subject in dwelling size and/or which sold less proximate in time to the January 1, 2020 assessment date than other sales in this record. The Board gives less weight to the board of review's comparable #1, due to significant differences from the subject in dwelling size and foundation type.

The Board finds the best evidence of market value to be the board of review's comparables #2, #3, and #4, which are similar to the subject in dwelling size, lot size, location, age, and most features. These most similar comparables sold from April 2019 to August 2020 for prices ranging from \$320,000 to \$332,900 or from \$128.48 to \$135.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$308,756 or \$131.00 per square foot of living area, including land, which is below the range established by the best comparable sales in terms of total market value and within the range on a price per square foot

basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
