

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Mendelson
DOCKET NO.: 20-00853.001-R-1
PARCEL NO.: 10-27-400-037

The parties of record before the Property Tax Appeal Board are Robert Mendelson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$113,643
IMPR.: \$107,386
TOTAL: \$221,029

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 2,708 square feet of living area. The dwelling was constructed in 1978 and is approximately 42 years old. Features of the home include a full basement, central air conditioning, six fireplaces, and a 440 square foot detached garage. The property has an approximate 113,256 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .55 of a mile from the subject property. The comparables are improved with one-story dwellings of wood siding exterior construction ranging in size from 2,071 to 3,416 square feet of living area. The dwellings range in age from 34 to 68 years old. The comparables each have a full or partial

basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage ranging in size from 598 to 1,260 square feet of building area. The comparables have improvement assessments that range from \$74,738 to \$100,025 or from \$28.48 to \$36.20 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$85,843 or \$31.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$221,029. The subject property has an improvement assessment of \$107,386 or \$39.66 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .64 of a mile from the subject property. The comparables are improved with one-story dwellings of brick, wood siding or stone and brick exterior construction ranging in size from 2,443 to 3,433 square feet of living area. The dwellings were built from 1974 to 2008. Each dwelling has a basement with finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 624 to 907 square feet of building area. In addition, comparable #2 which has a detached 748 square foot garage. The comparables have improvement assessments that range from \$89,370 to \$193,292 or from \$36.58 to \$56.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 as well as board of review comparables #3 and #4 due to their dissimilar ages and/or dissimilar dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are similar in location, design, age, dwelling size and some features. However, each comparable has finished basement area and one comparable has an additional detached garage which are not features of the subject suggesting downward adjustments would be necessary to make them more equivalent to the subject. Nevertheless, these comparables have improvement assessments ranging from \$82,055 to \$139,795 or from \$32.80 to \$46.94 per square foot of living area. The subject's improvement assessment of \$107,386 or \$39.66 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
