

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ajit Bhatia  
DOCKET NO.: 20-00897.001-R-1  
PARCEL NO.: 13-36-408-058

The parties of record before the Property Tax Appeal Board are Ajit Bhatia, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,759  
**IMPR.:** \$154,741  
**TOTAL:** \$196,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,641 square feet of living area. The dwelling was constructed in 2015. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 743 square foot garage. The property has a 10,280 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.15 of a mile to 1.05 miles from the subject property. The comparables have sites that range in size from 9,983 to 12,359 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,942 to 3,050 square feet of living area. The dwellings were built from 1990 to 2006. Each comparable has a basement with finished area, central air

conditioning, one fireplace and a garage ranging in size from 440 to 539 square feet of building area. The properties sold from June 2018 to November 2019 for prices ranging from \$437,000 to \$595,000 or from \$143.28 to \$197.35 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$182,211 which reflects a market value of \$546,688 or \$207.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,500. The subject's assessment reflects a market value of \$590,267 or \$223.50 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.47 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 6,470 to 14,640 square feet of land area and are improved with two-story dwellings of wood siding, aluminum siding or stone and wood siding exterior construction that range in size from 2,361 to 3,015 square feet of living area. The homes were built from 1878 to 2017 with the oldest comparable having an effective age of 1923. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 440 to 616 square feet of building area. The properties sold from June 2018 to June 2020 for prices ranging from \$500,000 to \$850,000 or from \$197.35 to \$306.09 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables #1 and #3/board of review comparable #4 along with board of review comparables #1 and #3 which are from 23 to 137 years older than the subject property and/or sold in 2018, less proximate in time to the January 1, 2020 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining two comparables which are relatively similar to the subject in location, age, design, site size and dwelling size but differ from the subject in having finished basement area and smaller garage sizes. These comparables sold in January and September 2019 for prices of \$507,500 and \$850,000 or \$172.50 and \$306.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$590,267 or \$223.50 per square foot of living area, including land, which is bracketed

by the two best comparable sales in this record on both an overall basis and a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
