

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larysa Tsybrovska
DOCKET NO.: 20-00966.001-R-1
PARCEL NO.: 13-11-400-247

The parties of record before the Property Tax Appeal Board are Larysa Tsybrovska, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,081
IMPR.: \$56,447
TOTAL: \$60,528

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium dwelling of wood frame construction with 1,314 square feet of living area. The dwelling was constructed in 1977. Features of the dwelling include a slab foundation, central air conditioning, a fireplace and a detached 242 square foot garage. The property has a 1,320 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 1,154 to 1,504 square feet of land area that are improved with one-story condominium dwellings containing from 1,154 to 1,504 square feet of living area. The dwellings were built from 1977 to 1989. The comparables have central air conditioning, a fireplace and a 231 or 242 square foot

garage. The comparables sold from February to December 2019 for prices ranging from \$155,000 to \$200,000 or from \$113.03 to \$140.79 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,528. The subject's assessment reflects a market value of \$181,820 or \$138.37 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within the same neighborhood code as the subject. The board of review's comparable #1 is the same property as the appellant's comparable #5. The comparables have sites with 1,320 or 1,350 square feet of land area that are improved with one-story condominium dwellings containing 1,314 or 1,346 square feet of living area. The dwellings were built from 1977 to 1979. The comparables have a slab foundation, central air conditioning, a fireplace and a detached 242 square foot garage. The comparables sold from April 2019 to November 2020 for prices ranging from \$153,000 to \$255,000 or from \$116.44 to \$189.45 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1, #2, #3 and #4, due to their differences in dwelling size and/or age when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, age, size and features. The best comparables sold from April 2019 to November 2020 for prices ranging from \$153,000 to \$255,000 or from \$116.44 to \$189.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$181,820 or \$138.37 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
