

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura Foy
DOCKET NO.: 20-00967.001-R-1
PARCEL NO.: 13-11-300-619

The parties of record before the Property Tax Appeal Board are Laura Foy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,081
IMPR.: \$61,308
TOTAL: \$65,389

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium dwelling of wood frame construction with 1,504 square feet of living area.¹ The dwelling was constructed in 1993. Features of the dwelling include a slab foundation, central air conditioning, a fireplace and an attached 231 square foot garage. The property has an approximately 1,500 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales, four of which are located from .73 to .89 of a mile from the subject. The comparables have sites ranging in size from 1,314 to 1,801 square feet of land area that are improved with one-story condominium dwellings containing

¹ The Board finds, based on the limited evidence regarding the subject's features, the board of review erred by adding the subject's 231 square feet of garage area to the subject's 1,504 square feet of living area.

from 1,314 to 1,801 square feet of living area. The dwellings were built from 1974 to 1989. The comparables have central air conditioning, a fireplace and an attached 231 square foot or a detached 242 square foot garage. The comparables sold from February 2019 to June 2020 for prices ranging from \$170,000 to \$260,000 or from \$113.03 to \$144.36 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,389. The subject's assessment reflects a market value of \$196,422 or \$130.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .14 of a mile to 1.07 miles from the subject. The comparables have sites with 1,500 square feet of land area that are improved with one-story condominium dwellings containing 1,735 square feet of living area. The dwellings were built from 1987 to 1993. The comparables have slab foundations, central air conditioning and a fireplace. The comparables sold from May 2019 to November 2020 for prices ranging from \$218,000 to \$246,000 or from \$125.65 to \$141.79 per square foot of living area, including land. The board of review's submission included a brief critiquing the parties' comparables and a January 7, 2020 listing for the appellant's comparable #1 with a \$224,900 list price.

Based on this evidence the board of review requested the subject's assessment be increased to \$72,660.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables due to their differences in reported dwelling size, when compared to the subject. The Board finds the appellant's comparables are similar to the subject in location, style, age, size and features. These comparables also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold from February 2019 to June 2020 for prices ranging from \$170,000 to \$260,000 or from \$113.03 to \$144.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$196,422 or \$130.60 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds no change in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
