

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Le Monier  
DOCKET NO.: 20-00968.001-R-1  
PARCEL NO.: 13-11-300-599

The parties of record before the Property Tax Appeal Board are Michael Le Monier, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,162  
**IMPR.:** \$162,776  
**TOTAL:** \$170,938

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story condominium dwelling of wood frame construction with 2,655 square feet of living area. The dwelling was constructed in 1991. Features of the dwelling include a lookout basement, that has finished area, central air conditioning, two fireplaces and an attached 447 square foot garage. The property has an approximately 2,660 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from 1.41 to 1.88 miles from the subject. The comparables have sites ranging in size from 32,615 to 63,598 square feet of land area that are improved with 1-story condominium dwellings containing from 2,607 to 3,087 square feet of living area. The dwellings were built from 1980 to 1993. The comparables have basements, three of which have finished area and a walkout. The comparables

have central air conditioning and two or three fireplaces. Two comparables have either an attached 731 or 888 square foot garage. The comparables sold from April 2018 to October 2019 for prices ranging from \$417,533 to \$565,000 or from \$135.26 to \$216.72 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,938. The subject's assessment reflects a market value of \$513,482 or \$193.40 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .09 to .76 of a mile from the subject. The comparables have sites with 2,640 square feet of land area that are improved with 2-story condominium dwellings containing 2,637 square feet of living area. The dwellings were built from 1989 to 1995. The comparables have basements, each of which has finished area, and two of which have a walkout. The comparables have central air conditioning, two fireplaces and an attached 528 square foot garage. The comparables sold from March 2019 to April 2020 for prices ranging from \$515,000 to \$525,000 or from \$195.30 to \$199.09 per square foot of living area, including land. The board of review's submission included a brief critiquing the parties' comparables and Multiple Listing Service (MLS) data regarding the appellant's comparable #1.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, none of which have the same story-height as the subject. Nevertheless, the Board gives less weight to the appellant's comparables due to their locations over a mile from the subject. In addition, the appellant's comparables #2, #3 and #4 have sale dates occurring greater than 16 months prior to the January 1, 2020 assessment date at issue. The Board finds the board of review's comparables are similar to the subject in location, age, size and features. These comparables also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold from March 2019 to April 2020 for prices ranging from \$515,000 to \$525,000 or from \$195.30 to \$199.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$513,482 or \$193.40 per square foot of living area, including land, which falls below the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
