

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pamela Mays
DOCKET NO.: 20-00969.001-R-1
PARCEL NO.: 13-11-300-594

The parties of record before the Property Tax Appeal Board are Pamela Mays, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,162
IMPR.: \$125,160
TOTAL: \$133,322

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story condominium dwelling of wood frame construction with 2,637 square feet of living area. The dwelling was constructed in 1991. Features of the dwelling include a slab foundation, central air conditioning, a fireplace and an attached 528 square foot garage. The property has a 2,637 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales, three of which are located .35 or .74 of a mile from the subject. The comparables have sites with 2,311 or 2,637 square feet of land area that are improved with 1.5-story condominium dwellings containing 1,452 or 1,713 square feet of living area. The dwellings were built from 1984 to 1990. Two of the comparables have basements, each of which have finished area and a walkout. The comparables have central air

conditioning, one or two fireplaces and an attached 471 or 528 square foot garage. The comparables sold from June 2019 to May 2020 for prices ranging from \$288,500 to \$400,000 or from \$109.40 to \$151.69 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,322. The subject's assessment reflects a market value of \$400,487 or \$151.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales, one of which is located .74 of a mile from the subject. The board of review's comparables #1 and #2, are the same properties as the appellant's comparables #1 and #4. The comparables have sites with 2,637 square feet of land area that are improved with 1.5-story condominium dwellings containing 2,637 square feet of living area. The dwellings were built in 1989 or 1990. The comparables have central air conditioning, a fireplace and an attached 528 square foot garage. The comparables sold from November 2017 to May 2020 for prices ranging from \$288,500 to \$400,000 or from \$109.40 to \$151.69 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, two of which were submitted by both parties. The Board gives less weight to the appellant's comparables #2 and #3, due to their smaller dwelling size and/or their dissimilar basement foundation, when compared to the subject. The Board also gives less weight to the board of review's comparable #3 due to its sale date occurring greater than 25 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparables, are similar to the subject in location, style, size and features. However, each of the best comparables has a slightly older dwelling, when compared to the subject. Nevertheless, the best comparables sold in June 2019 and May 2020 for prices of \$400,000 and \$288,500 or \$151.69 and \$109.40 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$400,487 or \$151.87 per square foot of living area, including land, which falls slightly above the market values of the best comparable sales in the record. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their slightly older dwelling, the Board finds the subject's slightly higher estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
