

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Dumelle
DOCKET NO.: 20-00976.001-R-1
PARCEL NO.: 13-11-300-237

The parties of record before the Property Tax Appeal Board are Linda Dumelle, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,162
IMPR.: \$94,797
TOTAL: \$102,959

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story condominium dwelling of wood frame construction with 1,817 square feet of living area. The dwelling was constructed in 1979. Features of the dwelling include a basement, that has finished area, central air conditioning, two fireplaces and an attached 496 square foot garage. The property has an 1,817 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted two grids containing information on seven comparable sales that are located within the same neighborhood code as the subject.¹ The comparables have sites ranging in size from 1,610 to 1,796 square feet of land area that are improved with reported 1.5-story or 2-story condominium dwellings containing from 1,610 to 1,796 square feet of living area. The

dwellings were built from 1986 to 1994. The comparables have basements, each of which have finished area and six of which have a lookout or walkout. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 210 to 522 square feet of building area. The comparables sold from January 2019 to March 2020 for prices ranging from \$250,000 to \$305,000 or from \$140.69 to \$174.72 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,959. The subject's assessment reflects a market value of \$309,279 or \$170.21 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within the same neighborhood code as the subject. The comparables have sites with 1,817 square feet of land area that are improved with 1.5-story condominium dwellings containing 1,817 square feet of living area. The dwellings were built in 1978 or 1979. The comparables have basements, each of which have finished area, and three of which have a walkout. The comparables have central air conditioning, two fireplaces and an attached 496 square foot garage. The comparables sold from June 2018 to May 2019 for prices ranging from \$222,500 to \$407,407 or from \$122.45 to \$224.22 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3 and #7, due to their dissimilar 2-story style dwelling when compared to the subject. The Board also gives less weight to the board of review's comparables #2, #3, #4 and #5, due to their sale date occurring greater than 13 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and many features. The best comparables sold from January to July 2019 for prices ranging from \$257,500 to \$407,407 or from \$153.12 to \$224.22 per square foot of living area, including land. The subject's assessment reflects a market value of \$309,279 or \$170.21 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
