

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Bashaar  
DOCKET NO.: 20-00984.001-R-1  
PARCEL NO.: 13-11-300-061

The parties of record before the Property Tax Appeal Board are Charles Bashaar, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,693  
**IMPR.:** \$112,170  
**TOTAL:** \$128,863

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story condominium of wood frame construction with 1,523 square feet of living area. The dwelling was constructed in 1978. Features of the home include a walkout basement, that has finished area, central air conditioning, a fireplace and an attached 484 square foot garage. The property has an approximately 1,520 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located .61 of a mile from the subject. The comparables have sites with 1,229 square feet of land area that are improved with one-story condominiums containing 1,229 square feet of living area. The homes were built in 1987 or 1988. The comparables have basements, each of which have finished area, and either a lookout or walkout. The comparables have central air conditioning, one or two fireplaces and an

attached 205 square foot garage. The comparables sold from May 2019 to January 2020 for prices ranging from \$257,500 to \$314,000 or from \$209.52 to \$255.49 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,863. The subject's assessment reflects a market value of \$387,092 or \$254.16 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted two grids containing information on eight comparable sales that are located from .01 to .66 of a mile from the subject.<sup>1</sup> The board of review's comparable #6 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 1,230 to 1,750 square feet of land area that are improved with one-story condominiums containing from 1,229 to 1,748 square feet of living area. The homes were built from 1978 to 1994. Seven comparables have basements, each of which have finished area, and five of which have a walkout. One comparable has a slab foundation. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 205 to 484 square feet of building area. The comparables sold from May 2019 to November 2020 for prices ranging from \$314,000 to \$525,000 or from \$250.00 to \$325.47 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 10 comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables, as well as the board of review's comparables #5, #6, #7 and #8, which includes the parties' common comparable. These comparables have smaller dwellings or lack a basement foundation, when compared to the subject. The Board finds the board of review's remaining comparables are similar to the subject in location, style, age, size and many features. The best comparables sold for prices ranging from \$406,000 to \$525,000 or from \$281.16 to \$300.34 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$387,092 or \$254.16 per square foot of living area, including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best

comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
