

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd & Leslie Marunde
DOCKET NO.: 20-00987.001-R-1
PARCEL NO.: 13-11-200-153

The parties of record before the Property Tax Appeal Board are Todd & Leslie Marunde, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,693
IMPR.: \$69,571
TOTAL: \$86,264

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium dwelling of wood frame construction with 1,596 square feet of living area. The dwelling was constructed in 1985. Features of the dwelling include a slab foundation, central air conditioning, a fireplace and a detached 231 square foot garage. The property has a 1,596 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted two grids containing information on five comparable sales that are located from .25 to .39 of a mile from the subject.¹ The comparables have sites ranging in size from 1,346 to 1,801 square feet of land area that are improved with one-story condominium dwellings

¹ For ease of reference, the Board has renumbered the appellants' second sales grid from #3 through #5. In addition, the appellants listed a duplicate property on both grids.

containing from 1,346 to 1,801 square feet of living area. The dwellings were built from 1974 to 1989. The comparables have central air conditioning, a fireplace and an attached or detached garage with 231 or 242 square feet of building area. The comparables sold from October 2019 to June 2020 for prices ranging from \$193,500 to \$260,000 or from \$130.48 to \$150.93 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,264. The subject's assessment reflects a market value of \$259,129 or \$162.36 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located .25 of a mile from the subject. The comparables have sites with 1,504 square feet of land area that are improved with one-story condominium dwellings containing 1,504 square feet of living area. The dwellings were built from 1987 to 1991. The comparables have central air conditioning, a fireplace and an attached 231 square foot garage. The comparables sold from July 2017 to September 2018 for prices ranging from \$210,000 to \$255,000 or from \$139.63 to \$169.55 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables due to their sale dates occurring greater than 15 months prior to the January 1, 2020 assessment date at issue. The Board finds the appellants' comparables are similar to the subject in location, style and some features. However, three of the appellants' comparables have older dwellings and three differ considerably in dwelling size, when compared to the subject. Nevertheless, the appellants' comparables sold from October 2019 to June 2020 for prices ranging from \$193,500 to \$260,000 or from \$130.48 to \$150.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$259,129 or \$162.36 per square foot of living area, including land, which falls within the range established by the appellants' comparable sales on a total market value basis but above the range on a per square foot basis. However, after considering adjustments to the appellants' comparables for differences when compared to the subject, the Board finds the subject's higher per square foot estimated market value as reflected by its assessment is justified. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
