

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eileen Cairns  
DOCKET NO.: 20-00988.001-R-1  
PARCEL NO.: 13-11-200-102

The parties of record before the Property Tax Appeal Board are Eileen Cairns, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,081  
**IMPR.:** \$68,965  
**TOTAL:** \$73,046

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story condominium of wood frame construction with 1,801 square feet of living area. The dwelling was constructed in 1974. Features of the home include a slab foundation, central air conditioning, a fireplace and a detached 242 square foot garage. The property has an approximately 1,800 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .09 to .85 of a mile from the subject. The comparables have sites ranging in size from 1,504 to 1,564 square feet of land area that are improved with one-story condominiums containing from 1,504 to 1,564 square feet of living area. The homes were built from 1975 to 1989. The comparables have central air conditioning, a fireplace and an attached or detached garage with 231 or 242 square

feet of building area. The comparables sold from February 2019 to May 2020 for prices ranging from \$170,000 to \$220,900 or from \$109.34 to \$142.98 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,046. The subject's assessment reflects a market value of \$219,423 or \$121.83 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .08 to .16 of a mile from the subject. The board of review's comparables #3, #4 and #5 are the same properties as the appellant's comparables #1, #4 and #5. The comparables have sites ranging in size from 1,540 to 1,800 square feet of land area that are improved with one-story condominiums containing from 1,541 to 1,801 square feet of living area. The homes were built from 2006 to 2017. The comparables have slab foundations, central air conditioning, a fireplace and a detached 242 square foot garage. The comparables sold from June 2019 to June 2020 for prices ranging from \$171,000 to \$260,000 or from \$109.34 to \$144.36 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, three of which were submitted by both parties. The Board gives less weight to the appellant's comparables, which includes the parties' common comparables, due to their differences in age and/or dwelling size when compared to the subject. The Board finds the board of review's remaining comparables are similar to the subject in location, style, age, size and features. The best comparables sold in October 2019 and June 2020 for prices of \$235,000 and \$260,000 or \$130.48 and \$144.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$219,423 or \$121.83 per square foot of living area, including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
