

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Daniel
DOCKET NO.: 20-00990.001-R-1
PARCEL NO.: 13-11-104-007

The parties of record before the Property Tax Appeal Board are Ryan Daniel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,701
IMPR.: \$113,924
TOTAL: \$151,625

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood frame construction with 2,676 square feet of living area. The dwelling was constructed in 1974. Features of the home include a basement, that has finished area, central air conditioning, a fireplace, an attached 650 square foot garage and a swimming pool. The property has an approximately 40,650 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .62 of a mile to 1.97 miles from the subject. The comparables have sites ranging in size from 39,595 to 41,786 square feet of land area that are improved with 2-story dwellings containing from 2,359 to 2,922 square feet of living area. The buildings were constructed from 1970 to 1989. The comparables have basements, three of which have finished area, central air conditioning, one or two fireplaces

and an attached garage ranging in size from 431 to 884 square feet of building area. One comparable has a swimming pool. The comparables sold from May 2019 to July 2020 for prices ranging from \$335,000 to \$475,000 or from \$141.53 to \$175.40 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$151,625. The subject's assessment reflects a market value of \$455,467 or \$170.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .93 of a mile to 1.55 miles from the subject. The comparables have sites ranging in size from 39,900 to 87,620 square feet of land area that are improved with 1.5-story or 2-story dwellings containing from 2,319 to 2,976 square feet of living area. The buildings were constructed from 1967 to 1977. The comparables have basements, two of which have finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 440 to 891 square feet of building area. The comparables sold from August 2019 to November 2020 for prices ranging from \$437,500 to \$580,000 or from \$173.34 to \$226.82 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 10 comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #2 and #5, due to their significantly larger site or dissimilar dwelling style, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject, however, seven of the best comparables lack a swimming pool and three lack finished basement area. Nevertheless, the best comparables sold from May 2019 to July 2020 for prices ranging from \$335,000 to \$580,000 or from \$141.53 to \$205.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$455,467 or \$170.27 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
