

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Worth
DOCKET NO.: 20-01010.001-R-1
PARCEL NO.: 16-29-418-018

The parties of record before the Property Tax Appeal Board are Ronald Worth, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$78,736
IMPR.: \$249,937
TOTAL: \$328,673

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story wood-siding dwelling with 4,098 square feet of living area. The home was built in 2005 and is approximately 15 years old. The features of the dwelling include an unfinished full basement, central air conditioning, two fireplaces, and an 889 square foot garage. The dwelling is situated on an approximate 19,601 square foot site located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same neighborhood code as the subject and located within 0.92 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,607 to 4,218 square feet of living area. The dwellings range in age from 12 to 15 years old. Each comparable has a full basement with

one having finished area, central air conditioning, from one to four fireplaces, and an attached garage ranging in size from 441 to 681 square feet of building area. The comparables have improvement assessments ranging from \$204,113 to \$240,718 or from \$55.58 to \$58.10 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$232,971 or \$56.85 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$328,673. The subject property has an improvement assessment of \$249,937 or \$60.99 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same neighborhood code as the subject property and located from .44 of a mile to 1.01 miles from the subject. The comparables are improved with two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,958 to 4,087 feet of living area. The dwellings were built from 2003 to 2009. The comparables each have a full basement with two having finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 462 to 735 square feet of building area. The comparables have improvement assessments ranging from \$296,299 to \$320,965 or from \$74.51 to \$79.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on nine comparables to support their respective positions. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparables #1 and #5 due to differences from the subject in basement finish or dwelling size.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$211,386 to \$309,999 or from \$55.58 to \$75.85 per square foot of living area. The subject's improvement assessment of \$249,937 or \$60.99 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
