

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anna Dawson
DOCKET NO.: 20-01015.001-R-1
PARCEL NO.: 16-04-305-013

The parties of record before the Property Tax Appeal Board are Anna Dawson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$95,992
IMPR.: \$107,053
TOTAL: \$203,045

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,165 square feet of living area. The dwelling was constructed in 1955 and is approximately 65 years old. Features of the home include an unfinished full basement, one fireplace, and a 440 square foot garage. The property has an approximate 21,000 square feet site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.68 of a mile from the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 1,919 to 2,406 square feet of living area. The dwellings range in age from 53 to 70 years old. The comparables each have a

basement with one having finished area. Three comparables each have central air conditioning, each comparable has one or two fireplaces, and two comparables each have a garage with either 546 or 576 square feet of building area. The comparables have improvement assessments that range from \$71,015 to \$99,599 or from \$32.91 to \$44.25 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$86,545 or \$39.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,045. The subject property has an improvement assessment of \$107,053 or \$49.45 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.67 of a mile from the subject property. The comparables are improved with one-story dwellings of brick exterior construction ranging in size from 2,104 to 2,448 square feet of living area. The dwellings were built from 1956 to 1965. The comparables each have a basement with three having finished area, central air conditioning, and one or two fireplaces. Four comparables each have a garage ranging in size from 480 to 675 square feet of building area. The comparables have improvement assessments that range from \$111,413 to \$128,571 or from \$50.42 to \$53.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 as well as board of review comparables #1, #2 and #3 which differ from the subject in basement finish and/or dwelling size. In addition, board of review comparable #2 lacks a garage, which is a feature of the subject. The Board gives reduced weight to the appellant's comparable #1 which appears to be an outlier with an improvement assessment that is significantly lower than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$99,599 to \$128,256 or from \$44.25 to \$52.39 per square foot of living area. The subject's improvement assessment of \$107,053 or \$49.45 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
