

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Cohen
DOCKET NO.: 20-01024.001-R-1
PARCEL NO.: 16-21-203-018

The parties of record before the Property Tax Appeal Board are Larry Cohen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$96,725
IMPR.: \$255,451
TOTAL: \$352,176

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of brick and wood siding exterior construction with 4,438 square feet of living area. The dwelling was constructed in 2007 and is approximately 13 years old. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 730 square foot attached garage. The property has an approximate 39,600 square feet site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.27 of a mile from the subject property. The appellant reported that the comparables are improved with 2-story dwellings of brick exterior construction that range in size from 3,595 to

5,997 square feet of living area. The homes range in age from 5 to 26 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning, one or four fireplaces, and a garage ranging in size from 682 to 1,144 square feet of building area. The comparables have improvement assessments that range from \$183,978 to \$252,333 or from \$37.27 to \$52.50 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$199,599 or \$44.98 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$352,176. The subject property has an improvement assessment of \$255,451 or \$57.56 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within 0.36 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction that range in size from 3,738 to 4,960 square feet of living area. The homes were built in either 2004 or 2007. The comparables each have a full basement, two of which have finished area. Each comparable has central air conditioning, from one to three fireplaces, and a garage ranging in size from 760 to 1,023 square feet of building area. The comparables have improvement assessments that range from \$223,234 to \$288,498 or from \$58.16 to \$62.72 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 as well as board of review comparable #3 which differ significantly from the subject in dwelling size. The Board finds the best evidence of assessment equity to be the parties' three remaining comparables which are relatively similar to the subject in location, design, age, dwelling size, and some features. However, the appellant's comparable #3 is an older dwelling than the subject and board of review comparable #1 has basement finish, not a feature of the subject. Nevertheless, these comparables have improvement assessments that range from \$252,333 to \$288,498 or from \$52.50 to \$62.72 per square foot of living area. The subject's improvement assessment of \$255,451 or \$57.56 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences with the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
