

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wayne Bosch  
DOCKET NO.: 20-01091.001-R-1  
PARCEL NO.: 15-24-110-006

The parties of record before the Property Tax Appeal Board are Wayne Bosch, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,996  
**IMPR.:** \$97,321  
**TOTAL:** \$163,317

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick construction with 2,512 square feet of living area. The dwelling was constructed in 1960. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 2-car, 528 square foot garage. The property has a 20,040 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 19,602 to 23,958 square feet of land area that are improved with two-story dwellings containing from 2,556 to 3,429 square feet of living area. The dwellings were built from 1969 to 1974. The comparables have basements, two of which have finished area, central air conditioning, a fireplace and a 2-car garage. The comparables sold from March 2019 to May 2020 for prices

ranging from \$413,000 to \$460,000 or from \$134.15 to \$171.38 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,317. The subject's assessment reflects a market value of \$490,589 or \$195.30 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on ten comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 17,860 to 20,910 square feet of land area that are improved with two-story dwellings containing from 2,526 to 3,008 square feet of living area. The dwellings were built from 1963 to 1980 but have effective ages ranging from 1964 to 1981. The comparables have basements, five of which have finished area, central air conditioning and an attached garage ranging in size from 484 to 575 square foot of building area. Nine of the comparables each have one or two fireplaces and two comparables each have a swimming pool. The comparables sold from March 2019 to October 2020 for prices ranging from \$510,000 to \$750,000 or from \$191.13 to \$274.73 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 14 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, as well as the board of review's comparables #2, #4 and #5, due to their larger dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #7 and #8, due to their swimming pool feature, which is not a feature of the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject, however, four of the parties' best comparables have finished basement area, unlike the subject. Nevertheless, the best comparables sold from March 2019 to September 2020 for prices ranging from \$413,000 to \$750,000 or from \$143.25 to \$274.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$490,589 or \$195.30 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
