

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry Wolf
DOCKET NO.: 20-01100.001-R-1
PARCEL NO.: 16-31-208-020

The parties of record before the Property Tax Appeal Board are Barry Wolf, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,880
IMPR.: \$83,676
TOTAL: \$137,556

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 1,468 square feet of living area. The dwelling was constructed in 1965 and is approximately 55 years old. Features of the home include a lower level with finished area, central air conditioning, one fireplace and a 506 square foot attached garage. The property has an approximate 10,480 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .19 of a mile from the subject property. The comparables are improved with one-story dwellings of brick exterior construction ranging in size from 1,747 to 1,767 square feet of living area. The

dwellings range in age from 51 to 56 years old. The comparables each have a lower level with finished area, central air conditioning, one fireplace and an attached garage ranging in size from 576 to 600 square feet of building area. The comparables have improvement assessments that range from \$90,863 to \$94,751 or from \$52.01 to \$53.62 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$77,363 or \$52.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,556. The subject property has an improvement assessment of \$83,676 or \$57.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .21 of a mile from the subject property. However, board of review comparable #2 is the same property as the appellant's comparable #1. The comparables are improved with one-story dwellings of brick and wood siding exterior construction ranging in size from 1,747 to 1,776 square feet of living area. The dwellings were built from 1964 to 1967. Each comparable has a lower level with finished area, central air conditioning, one fireplace and an attached garage ranging in size from 575 to 600 square feet of building area. Comparable #2 also has an inground swimming pool. The comparables have improvement assessments that range from \$90,863 to \$100,794 or from \$52.01 to \$57.53 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration including the parties' common comparable. The Board gives less weight to the appellant's comparable #1/board of review comparable #2 that has an inground swimming pool which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are more similar to the subject in location, design, age, and most features, but each of these comparables is larger in dwelling size than the subject. Nevertheless, these comparables have improvement assessments ranging from \$92,331 to \$100,794 or from \$52.49 to \$57.53 per square foot of living area. The subject's improvement assessment of \$83,676 or \$57.00 per square foot of living area falls below the range established by the best comparables in the record on an overall basis but within the range on a per square foot basis. Furthermore, the subject's overall improvement assessment is logical considering its smaller dwelling size when compared to the best comparables. Based on this record and after considering adjustments to the best

comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
