

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marjorie Breyer  
DOCKET NO.: 20-01127.001-R-1  
PARCEL NO.: 16-33-205-002

The parties of record before the Property Tax Appeal Board are Marjorie Breyer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,957  
**IMPR.:** \$156,773  
**TOTAL:** \$223,730

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,253 square feet of living area. The dwelling was constructed in 1965 and is approximately 55 years old. The dwelling has a reported effective age of 1974. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 462 square foot attached garage. The property has an approximate 14,596 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 1-story, 1.5-story or 2-story dwellings of brick exterior construction ranging in size from 3,048 to 3,940 square feet of living area. The dwellings are

from 54 to 56 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning and a garage that ranges in size from 483 to 918 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$140,446 to \$162,632 or from \$36.84 to \$46.44 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$142,562 or \$43.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$223,730. The subject property has an improvement assessment of \$156,773 or \$48.19 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within .30 of a mile from the subject. The board of review's comparable #5 is the same property as the appellant's comparable #4. The comparables are improved with 1.5-story or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,326 to 3,734 square feet of living area. The dwellings were built in 1965 or 1966 with comparable #1 having an effective built date of 1974. Each comparable has a basement, one of which has finished area. The comparables each have central air conditioning, one fireplace, and a garage that ranges in size from 462 to 552 square feet of building area. Board of review comparable #4 has an inground swimming pool. The comparables have improvement assessments that range from \$153,582 to \$175,346 or from \$44.74 to \$48.70 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to the appellant's comparables #1 and #2, as well as board of review comparables #1, #3, and #4 due to their larger dwelling sizes, dissimilar design and/or finished basements when compared to the subject. Additionally, the Board gives less weight to board of review comparable #4 as it has an inground swimming pool, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' three remaining comparables which are similar to the subject in location, design, age, dwelling size and most features. These comparables have improvement assessments that range from \$140,446 to \$162,468 or from \$46.08 to \$48.70 per square foot of living area. The subject's improvement assessment of \$156,773 or \$48.19 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to

the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
