

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paula Frank
DOCKET NO.: 20-01213.001-R-1
PARCEL NO.: 13-36-408-029

The parties of record before the Property Tax Appeal Board are Paula Frank, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,036
IMPR.: \$113,525
TOTAL: \$150,561

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of aluminum siding exterior construction containing 2,651 square feet of living area. The dwelling was built in 1990. Features of the home include a partial basement that is partially finished with a recreation room, central air conditioning, one fireplace, and an attached garage with 686 square feet of building area. The property has a 9,330 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with two-story dwellings with aluminum siding or wood siding exteriors that range in size from 2,762 to 3,050 square feet of living area. The homes were built in 1988 or 1990. Each comparable has a full basement with one being partially finished with a recreation room, central air conditioning, one fireplace,

and an attached garage ranging in size from 528 to 690 square feet of building area. The comparables have sites ranging in size from 10,690 to 20,070 square feet of land area and are located from approximately .07 to .64 of one mile from the subject property. The sales occurred from November 2019 to July 2020 for prices ranging from \$437,000 to \$505,000 or from \$143.28 to \$178.26 per square foot of living area, including land. The appellant requested the subject's assessment be reduced to \$143,666.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,561. The subject's assessment reflects a market value of \$452,271 or \$170.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with comparable #1 being the same property as appellant's comparable #2. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,560 to 3,168 square feet of living area. The homes were built from 1986 to 1990. Each comparable has a full or partial basement with two being partially finished with recreation rooms. Each comparable also has central air conditioning, one fireplace, and an attached garage ranging in size from 440 to 528 square feet of building area. These properties have sites ranging in size from 8,540 to 11,070 square feet of land area and are located from approximately .03 to .23 of one mile from the subject property. The comparables sold from March 2020 to August 2020 for prices ranging from \$427,000 to \$517,000 or from \$163.19 to \$181.64 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales presented by the parties to support their respective positions with one being common to both parties. The comparables are similar to the subject in location, land area, dwelling style, size, age and most features. In reviewing the sales submitted by the parties, the Board finds appellant's comparable #1 is an outlier when contrasted with the remaining sales in the record and is given less weight. Appellant's comparables #2 and #3 as well as the board of review comparables, which includes the common sale, sold for prices ranging from \$427,000 to \$517,000 or from \$163.19 to \$181.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$452,271 or \$170.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
