

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Tsurekidis
DOCKET NO.: 20-01217.001-R-1
PARCEL NO.: 13-16-404-002

The parties of record before the Property Tax Appeal Board are Peter Tsurekidis, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,527
IMPR.: \$118,390
TOTAL: \$144,917

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,544 square feet of living area. The dwelling was constructed in 1970. Features of the home include a full basement, central air conditioning, a fireplace, and a 588 square foot garage.¹ The property has an approximately 44,740 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 43,190 to 55,210

¹ The parties differ regarding the subject's garage size. The Board finds the best evidence of garage size is found in the subject's property record card presented by the board of review which contains a sketch and measurements and was not refuted by the appellant in written rebuttal.

square feet of land area and are improved with 2-story homes of wood siding or brick and wood siding exterior construction ranging in size from 2,586 to 2,820 square feet of living area. The dwellings were built from 1966 to 1970. Each home has a full basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage with either 504 or 567 square feet of building area. Comparable #3 has a metal utility shed. The comparables sold from October 2019 to March 2020 for prices ranging from \$265,000 to \$469,000 or from \$102.47 to \$170.67 square feet of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$117,271 which would reflect a market value of \$351,848 or \$138.31 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,917. The subject's assessment reflects a market value of \$435,317 or \$171.12 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the same assessment neighborhood code as the subject property, where comparables #1 and #3 are the same properties as the appellant's comparables #3 and #2, respectively. Comparable #2 has a 41,540 square foot site that is improved with a 2-story home of brick exterior construction with 2,651 square feet of living area. The dwelling was built in 1976 and features a full basement with finished area, central air conditioning, two fireplaces, and a 550 square foot garage. This comparable sold in June 2020 for \$460,000 or \$173.52 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of four comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which appears to be an outlier as it sold for considerably less than the other sales in this record.

The remaining comparables are relatively similar to the subject in dwelling size, age, location, lot size, and some features. These comparables sold from October 2019 to June 2020 for prices ranging from \$395,000 to \$469,000 or from \$140.07 to \$173.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$435,317 or \$171.12 per square foot of living area, including land, which is within the range established by the best

comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, such as lot size and finished basement area, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
