

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Knowles  
DOCKET NO.: 20-01219.001-R-1  
PARCEL NO.: 13-11-100-126

The parties of record before the Property Tax Appeal Board are Diane Knowles, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,162  
**IMPR.:** \$81,496  
**TOTAL:** \$89,658

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story condominium unit of wood siding exterior construction with 1,229 square feet of living area. The dwelling was constructed in 1988. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 205 square foot garage. The property has an approximately 1,230 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The comparables are located from 0.09 to 0.80 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables each have a 1,230 square foot site that is improved with a 1-story condominium unit of wood siding exterior construction with 1,229 square feet of living area. The dwellings were built from 1987 to 1993. Each home has a full basement with finished area,

one of which is a walkout basement, central air conditioning, one or two fireplaces, and a 205 square foot garage. The comparables sold from May 2019 to June 2020 for prices ranging from \$205,000 to \$269,000 or from \$166.80 to \$218.88 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$78,761 which would reflect a market value of \$236,307 or \$192.28 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,658. The subject's assessment reflects a market value of \$269,324 or \$219.14 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #3 is the same property as the appellant's comparable #1. The comparables are located from 0.01 to 0.30 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables each have a 1,230 square foot site that is improved with a 1-story condominium unit of wood siding exterior construction with 1,229 square feet of living area. The dwellings were built from 1987 to 1989. Each home has a full basement with finished area, two of which are walkout basements, central air conditioning, one or two fireplaces, and a 205 square foot garage. The comparables sold from June 2019 to December 2020 for prices ranging from \$269,000 to \$400,000 or from \$218.88 to \$325.47 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the board of review's comparables #4 and #5, which each have a walkout basement that is not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, #4, and #5 and the board of review's comparables #1, #2, and #3, which includes the parties' common comparable. The Board finds these comparables are identical to the subject in dwelling size and lot size and are similar to the subject in age, location, and most features. These most similar comparables sold from May 2019 to December 2020 for prices ranging from \$205,000 to \$311,000 or from \$166.80 to \$253.05 per square foot of living area, including land. The

subject's assessment reflects a market value of \$269,324 or \$219.14 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
