

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Duncan Rounds
DOCKET NO.: 20-01223.001-R-1
PARCEL NO.: 10-22-103-033

The parties of record before the Property Tax Appeal Board are Duncan Rounds, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,684
IMPR.: \$171,440
TOTAL: \$204,124

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,019 square feet of living area. The dwelling was constructed in 2008. Features of the home include a full basement with finished area, central air conditioning, four fireplaces, and a 796 square foot garage. The property has an approximately 12,200 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales, together with photographs of these properties and a map depicting the locations of these comparables in relation to the subject. The comparables are located within 0.72 of a mile from the subject. The parcels range in size from 14,370 to 28,300 square feet of land area and are improved with 2-story homes of brick, stucco, wood siding, or brick and wood siding exterior construction ranging in size from 2,996 to 4,121

square feet of living area. The dwellings were built from 1992 to 2002. Each home has a full basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 684 to 864 square feet of building area. The comparables sold from November 2019 to July 2020 for prices ranging from \$325,600 to \$515,000 or from \$90.90 to \$166.05 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$152,424 which would reflect a market value of \$457,318 or \$113.79 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,124. The subject's assessment reflects a market value of \$613,169 or \$152.57 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.19 of a mile from the subject. The parcels range in size from 8,710 to 24,830 square feet of land area and are improved with 1-story or 2-story homes of brick exterior construction ranging in size from 3,629 to 4,900 square feet of living area. The dwellings were built from 2003 to 2009. Each home has a full basement with finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 672 to 1,178 square feet of building area. The comparables sold from March to September 2020 for prices ranging from \$570,000 to \$799,001 or from \$130.41 to \$171.53 per square foot of living area, including land.

Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #4 and the board of review's comparables #1 and #2, which are less similar to the subject in dwelling size, age, lot size, and/or garage size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #5 and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, location, lot size, and most features. These most similar comparables sold in March and June 2020 for prices ranging from \$480,000 to \$577,500 or from \$116.48 to \$159.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$613,169 or

\$152.57 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value but within the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
