

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Konkolewski
DOCKET NO.: 20-01224.001-R-1
PARCEL NO.: 10-33-201-043

The parties of record before the Property Tax Appeal Board are Matt Konkolewski, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,804
IMPR.: \$129,028
TOTAL: \$173,832

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,477 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 703 square foot garage. The property has a 23,710 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales, along with photographs of the comparables and a map depicting the locations of the comparables in relation to the subject. The comparables are located within the same assessment neighborhood code as the subject. The parcels range in size from 24,210 to 33,010 square feet of land area and are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 3,459 to

4,076 square feet of living area. The dwellings were built in 2005 or 2008. Each home has a basement with finished area, three of which are walkout basements, central air conditioning, one or two fireplaces, and a garage with either 662 or 703 square feet of building area. The comparables sold from April 2019 to June 2020 for prices ranging from \$480,000 to \$580,000 or from \$131.08 to \$150.33 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$165,965 which would reflect a market value of \$497,945 or \$143.21 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,832. The subject's assessment reflects a market value of \$522,175 or \$150.18 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparable #4 is the same property as the appellant's comparable #4. The comparables are located within the same assessment neighborhood code as the subject. The parcels range in size from 18,820 to 32,620 square feet of land area and are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 3,398 to 3,738 square feet of living area. The dwellings were built in 2005 or 2006. Each home has a basement, three of which are walkout basements and three of which have finished area. Other features include central air conditioning, a fireplace, and a garage with either 662 or 668 square feet of building area. The comparables sold from April 2019 to November 2020 for prices ranging from \$520,000 to \$669,600 or from \$150.33 to \$179.11 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the board of review's comparable #1, which does not have finished basement area like the subject.

The Board finds the best evidence of market value to the appellant's comparables, including the common comparable, and the board of review's comparables #2 and #3, which are relatively similar to the subject in dwelling size, age, location, site size, and most features. These most similar comparables sold from April 2019 to September 2020 for prices ranging from \$480,000 to \$669,500 or from \$131.08 to 179.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$522,175 or \$150.18 per square foot of living

area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
