

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yvette Crowell
DOCKET NO.: 20-01226.001-R-1
PARCEL NO.: 10-26-411-007

The parties of record before the Property Tax Appeal Board are Yvette Crowell, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,527
IMPR.: \$100,420
TOTAL: \$128,947

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,976 square feet of living area. The dwelling was constructed in 1994. Features of the home include a full basement, central air conditioning, a fireplace, and a 460 square foot garage. The property has a 13,068 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, together with photographs of the comparables and a map depicting the locations of the comparables in relation to the subject. The comparables are located within the same assessment neighborhood code as the subject. The parcels range in size from 10,000 to 13,070 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,807 to 3,306 square feet

of living area. The dwellings were built in 1992 or 1993. Each home has a full basement with finished area, central air conditioning, a fireplace, and a garage with either 462 or 682 square feet of building area. The comparables sold from February to May 2019 for prices ranging from \$320,000 to \$370,000 or from \$108.37 to \$129.87 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$112,596 which would reflect a market value of \$337,822 or \$113.52 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,947. The subject's assessment reflects a market value of \$387,345 or \$130.16 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the same assessment neighborhood code as the subject. The parcels range in size from 10,000 to 25,530 square feet of land area and are improved with 2-story homes of vinyl siding or brick and wood siding exterior construction ranging in size from 2,856 to 3,084 square feet of living area. The dwellings were built in 1993 or 1994, with comparable #2 having an effective age of 1999. Each home has a basement, one of which has finished area, central air conditioning, and a garage ranging in size from 420 to 682 square feet of building area. Two homes each have a fireplace. The comparables sold from August 2019 to October 2020 for prices ranging from \$356,000 to \$389,000 or from \$119.65 to \$133.36 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #2, which have finished basement area unlike the subject.

The Board finds the best evidence of market value in this record to be the board of review's comparables #1 and #3, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold in August 2019 and October 2020 for prices of \$389,000 and \$356,000 or \$133.36 and \$124.65 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$387,345 or \$130.16 per square foot of living area, including land, which is bracketed by the best comparable sales in this record.

Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
