

# FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Roop Agarwal DOCKET NO.: 20-01279.001-R-1 PARCEL NO.: 14-14-201-022

The parties of record before the Property Tax Appeal Board are Roop Agarwal, the appellant, by attorney John Buscher, of The Buscher Firm in Deerfield; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,271 **IMPR.:** \$123,131 **TOTAL:** \$156,402

Subject only to the State multiplier as applicable.

#### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

#### **Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,986 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement, central air conditioning, a fireplace, and a 752 square foot garage. The property has a 48,819 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.34 of a mile to 1.47 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 40,590 to 57,399 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 3,364 to 3,750 square feet of living area. The dwellings were built in 1988. Each home has a basement, central air

conditioning, one or two fireplaces, and a garage ranging in size from 715 to 988 square feet of building area. The comparables sold in April and June 2020 for prices ranging from \$405,000 to \$520,000 or from \$120.39 to \$138.67 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$127,356 which would reflect a market value of \$382,106 or \$127.97 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$156,402. The subject's assessment reflects a market value of \$469,817 or \$157.34 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.46 of a mile to 1.61 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 40,180 to 135,350 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,614 to 3,426 square feet of living area. The dwellings were built from 1980 to 1987. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 841 square feet of building area. The comparables sold from February to October 2020 for prices ranging from \$463,000 to \$632,000 or from \$160.52 to \$195.00 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

# **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparable #5, due to significant differences from the subject in either dwelling size or lot size.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1 through #4, which are relatively similar to the subject in dwelling size, lot size, location, and some features. These most similar comparables sold from February to October 2020 for prices ranging from \$405,000 to \$555,000 or from \$120.39 to \$177.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$469,817 or \$157.34 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
