

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carol Tosi
DOCKET NO.: 20-01325.001-R-1
PARCEL NO.: 16-09-303-026

The parties of record before the Property Tax Appeal Board are Carol Tosi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,569
IMPR.: \$169,189
TOTAL: \$212,758

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of brick and wood siding exterior construction with 3,751 square feet of living area. The dwelling was constructed in 1997 and is approximately 23 years old. Features of the home include a concrete slab foundation, central air conditioning, one fireplace and an 858 square foot garage. The property has an approximate 23,400 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property and within .20 of a mile from the subject. The appellant reports the comparables are improved with 1-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,225 to 4,253 square feet of living area. The dwellings range in age from 51 to 70 years old.

The appellant reported that each comparable has a concrete slab foundations, central air conditioning, one or two fireplaces and a garage that ranges in size from 429 to 796 square feet of building area. The comparables have improvement assessments that range from \$105,727 to \$132,441 or from \$30.23 to \$38.73 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$124,158 or \$33.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$212,758. The subject property has an improvement assessment of \$169,189 or \$45.11 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject property and within .13 mile from the subject. The comparables are improved with 1.75-story dwelling or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,116 to 4,289 square feet of living area. The dwellings were built in either 2001 or 2005. The comparables each have a full basement, one of which has a 2,500 square foot recreation room. Each comparable has central air conditioning, one or three fireplaces and a garage that ranges in size from 767 to 782 square feet of building area. One comparable has an inground swimming pool. The comparables have improvement assessments that range from \$202,996 to \$312,921 or from \$49.32 to \$72.96 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their older ages when compared to the subject dwelling. The Board gives less weight to board of review comparable #3 which has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #2. These two comparables are relatively similar to the subject in location, age, dwelling size and some features. However, the Board finds that each comparable has a basement suggesting downward adjustments are necessary to make them more equivalent to the subject. Nevertheless, these two comparables have improvement assessments of \$202,996 and \$312,921 or \$49.32 and \$72.96 per square foot of living area, respectively. The subject's improvement assessment of \$169,189 or \$45.11 per square foot of living area falls below the assessments of the two best comparables in the record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
