

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Illeane Schwartz
DOCKET NO.: 20-01338.001-R-1
PARCEL NO.: 16-20-404-032

The parties of record before the Property Tax Appeal Board are Illeane Schwartz, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,320
IMPR.: \$106,400
TOTAL: \$163,720

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,662 square feet of living area. The dwelling was constructed in 1968 and is approximately 52 years old. Features of the home include a partial basement, central air conditioning, a fireplace, and a 506 square foot garage. The property has a 12,000 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 1-story homes of brick exterior construction ranging in size from 2,578 to 3,007 square feet of living area. The dwellings are 48 or 52 years old. Each home has a partial basement, two of which have finished area, central air conditioning, one or two fireplaces,

and a 483 square foot garage. The comparables have improvement assessments ranging from \$84,775 to \$109,163 or from \$32.42 to \$36.30 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$92,637 or \$34.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,720. The subject property has an improvement assessment of \$106,400 or \$39.97 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 1-story homes of brick exterior construction ranging in size from 2,578 to 2,725 square feet of living area. The dwellings were built in 1968. Each home has a partial basement, two of which have finished area, central air conditioning, a fireplace, and a 483 or 506 square foot garage. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$105,380 to \$110,685 or from \$39.91 to \$40.89 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #3 and #5, which have finished basement area unlike the subject. The Board gives less weight to the board of review's comparable #1, which has an inground swimming pool unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 and the board of review's comparables #2 and #4, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$84,775 to \$107,012 or from \$32.42 to \$40.89 per square foot of living area. The subject's improvement assessment of \$106,400 or \$39.97 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
