

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ruth Rabin  
DOCKET NO.: 20-01385.001-R-1  
PARCEL NO.: 16-32-310-010

The parties of record before the Property Tax Appeal Board are Ruth Rabin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,588  
**IMPR.:** \$129,297  
**TOTAL:** \$180,885

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction<sup>1</sup> with 3,307 square feet of living area. The dwelling was constructed in 1975 and is approximately 45 years old. Features of the home include a partial basement, central air conditioning, a fireplace, and a 440 square foot garage. The property has a 9,600 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of brick exterior construction ranging in size from

<sup>1</sup> Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

2,824 to 3,099 square feet of living area. The dwellings range in age from 45 to 51 years old. Each home has a partial basement, central air conditioning, a fireplace, and a 440 or 483 square foot garage. The comparables have improvement assessments ranging from \$101,123 to \$111,906 or from \$34.19 to \$36.79 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,885. The subject property has an improvement assessment of \$129,297 or \$39.10 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of brick and wood siding exterior construction ranging in size from 3,015 to 3,580 square feet of living area. The dwellings were built from 1970 to 1975, with comparable #2 having an effective age of 1973. Each home has a partial basement, one of which has finished area, central air conditioning, and a garage ranging in size from 440 to 569 square feet of building area. Four homes each have a fireplace. The comparables have improvement assessments ranging from \$125,279 to \$149,894 or from \$36.71 to \$45.56 per square foot of living area. Based on this evidence the board of review requested the subject's improvement assessment be sustained.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which are less similar to the subject in dwelling size than other comparables in this record. The Board gives less weight to the board of review's comparable #4, which has finished basement area unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review's comparables #1, #2, #3, and #5, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$111,906 to \$149,894 or from \$36.11 to \$45.56 per square foot of living area. The subject's improvement assessment of \$129,297 or \$39.10 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
