

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Gunther
DOCKET NO.: 20-01477.001-R-1
PARCEL NO.: 16-15-101-001

The parties of record before the Property Tax Appeal Board are Barbara Gunther, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,353
IMPR.: \$107,457
TOTAL: \$165,810

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,862 square feet of living area. The dwelling was constructed in 1964. Features of the home include a basement, central air conditioning, a fireplace, and a 441 square foot garage. The property has an approximately 16,550 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located from 0.22 to 0.67 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 13,430 to 23,380 square feet of land area and are improved with two-story homes of brick and wood siding exterior construction ranging in size from 2,841 to 3,887 square feet of living area. The dwellings were built in 1961

or 1963 with the home built in 1961 having an effective age of 1968. Two homes each have a crawl space foundation and one home has a slab foundation. Each home has central air conditioning, a fireplace, and a garage ranging in size from 420 to 528 square feet of building area. The comparables sold from May 2017 to June 2020 for prices ranging from \$380,000 to \$460,000 or from \$105.73 to \$161.91 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$103,517 which would reflect a market value of \$310,582 or \$108.52 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,810. The subject's assessment reflects a market value of \$498,078 or \$174.03 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables are located from 0.35 to 0.66 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 11,920 to 16,230 square feet of land area and are improved with one-story or two-story homes of brick and wood siding exterior construction ranging in size from 2,425 to 3,276 square feet of living area. The dwellings were built from 1959 to 1973 with one home built in 1963 having an effective age of 1977. One home has a basement and three homes each have a crawl space foundation. Each home has central air conditioning and a garage ranging in size from 462 to 525 square feet of building area. Three of the comparables each have a fireplace. The comparables sold from February to December 2020 for prices ranging from \$460,000 to \$601,000 or from \$183.46 to \$200.00 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which has a sale date more remote in time from the January 1, 2020 assessment date, and the appellant's comparable #3, which has a much larger home than the subject dwelling.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables, which are relatively similar to the subject in dwelling size, age, location, and some features, although only one of these comparables has a basement foundation

like the subject. These most similar comparables sold from February to December 2020 for prices ranging from \$380,000 to \$601,000 or from \$105.73 to \$200.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$498,078 or \$174.03 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
