

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charlie and Cleotilde Rubio
DOCKET NO.: 20-01483.001-R-1
PARCEL NO.: 14-15-111-017

The parties of record before the Property Tax Appeal Board are Charlie and Cleotilde Rubio, the appellants, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,128
IMPR.: \$63,385
TOTAL: \$88,513

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 988 square feet of living area. The dwelling was constructed in 1986. Features of the home include a fully finished lower level, central air conditioning, and a 441 square foot garage. The property has a 6,700 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on five comparable sales presented in two grid analyses. The comparables are located from 0.05 to 0.14 of a mile from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 5,340 to 16,030 square feet of land area and are improved with 1-story homes of brick or wood siding exterior construction ranging in size from 1,102 to 1,544 square feet of living area. The dwellings were built from 1956 to 1994, with comparables #3 and #4 having reported effective ages of 1992 and

1982, respectively. Three homes each have a lower level, two of which are fully finished, and two homes each have an unfinished basement. Four homes have central air conditioning and two homes have a fireplace. Each comparable has a garage ranging in size from 420 to 728 square feet of building area. The comparables sold from June 2017 to February 2020 for prices ranging from \$200,000 to \$365,000 or from \$132.28 to \$238.20 per square foot of living area, including land. Based on this evidence the appellants requested a reduction in the subject's assessment to \$71,019 which would reflect a market value of \$213,078 or \$215.67 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,513. The subject's assessment reflects a market value of \$265,885 or \$269.11 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.02 to 0.24 of a mile from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 5,230 to 12,800 square feet of land area and are improved with 1-story homes of wood siding or brick and wood siding exterior construction ranging in size from 962 to 1,244 square feet of living area. The dwellings were built from 1971 to 1992. Three homes each have a fully finished lower level and two homes each have an unfinished basement. Each comparable has central air conditioning and a garage ranging in size from 380 to 528 square feet of building area. Three homes have a fireplace. The comparables sold from May 2019 to September 2020 for prices ranging from \$262,000 to \$309,000 or from \$235.79 to \$301.64 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparables and the board of review's comparables #1 and #3, which sold less proximate in time to the January 1, 2020 assessment date than other comparables in this record and/or differ substantially from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be the board of review's comparables #2, #4, and #5, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from May to October 2019 for prices ranging from \$262,000 to \$295,000 or from \$265.18 to \$301.64 per square foot of living area, including land.

The subject's assessment reflects a market value of \$265,885 or \$269.11 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
