

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Guang Xue Wei & Fang Fang
DOCKET NO.: 20-01485.001-R-1
PARCEL NO.: 14-15-304-016

The parties of record before the Property Tax Appeal Board are Guang Xue Wei & Fang Fang, the appellants, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,568
IMPR.: \$188,726
TOTAL: \$231,294

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,863 square feet of living area. The dwelling was constructed in 2012. Features of the home include a basement, central air conditioning, a fireplace, and a 683 square foot garage. The property has an approximately 13,050 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales presented in two grid analyses. The comparables are located within 0.35 of a mile from the subject property. The parcels range in size from 14,860 to 18,020 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,992 to 3,514 square feet of living area. The homes were constructed in 1992 and 1994. Each home has a basement, central air

conditioning, a fireplace, and a garage ranging in size from 640 to 735 square feet of building area. The comparables sold from December 2018 to November 2019 for prices ranging from \$522,500 to \$595,000 or from \$169.32 to \$174.63 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment to \$218,881 which would reflect a market value of \$656,709 or \$170.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,294. The subject's assessment reflects a market value of \$694,785 or \$179.86 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.11 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables have 13,080 or 13,090 square foot sites that are improved with 2-story homes of wood siding exterior construction with 3,142 or 3,211 square feet of living area. The dwellings were built in 2012 or 2014. Each home has a walkout basement, central air conditioning, and a 792 or 829 square foot garage. One home has a fireplace. The comparables sold in February 2019 and December 2020 for prices of \$612,500 and \$623,000 or \$194.94 and \$194.02 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparables, which are substantially older homes than the subject dwelling.

The Board finds the best evidence of market value to be the board of review's comparables, which are similar to the subject in age, location, lot size, and some features, although these comparables are much smaller homes than the subject dwelling, suggesting that upward adjustments to these comparables would be needed to make them more similar to the subject. These most similar comparables sold in February 2019 and December 2020 for prices of \$612,500 and \$623,000 or \$194.94 and \$194.02 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$694,785 or \$179.86 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis, and

appears to be supported after considering appropriate adjustments to the best comparables for differences from the subject, such as dwelling size. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
