

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dragan Kovacevic
DOCKET NO.: 20-01858.001-R-2
PARCEL NO.: 16-07-103-005

The parties of record before the Property Tax Appeal Board are Dragan Kovacevic, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$91,657
IMPR.: \$285,613
TOTAL: \$377,270

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,600 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and an 804 square foot garage. The property has an approximately 28,750 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis and Multiple Listing Service (MLS) information on three comparable sales located within .38 miles from the subject property. The comparables have sites that range in size from 20,020 to 34,390 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 3,592 to 3,792 square feet of living area. The dwellings were built from 1962 to 1976. Each comparable has a basement with

finished area, central air conditioning, one or two fireplaces and garage ranging in size from 576 to 1,140 square feet of building area. The properties sold from June 2018 to September 2019 for prices ranging from \$560,000 to \$725,000 or from \$152.01 to \$199.05 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$377,720. The subject's assessment reflects a market value of \$1,134,635 or \$246.66 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .82 miles from the subject. The comparables have sites that range in size from 22,220 to 81,020 square feet of land area and are improved with two-story dwellings of wood siding, Dryvit, or brick and wood siding exterior construction that range in size from 3,998 to 5,492 square feet of living area. The homes were built from 1989 to 2011. Each comparable has a basement, four with finished area, central air conditioning, one to four fireplaces and a garage ranging in size from 702 to 832 square feet of building area. Comparable #4 has an inground swimming pool. The properties sold from June 2019 to October 2020 for prices ranging from \$1,025,000 to \$1,625,000 or from \$256.38 to \$344.13 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which differ from the subject in age, dwelling size and/or sold in 2018, less proximate in time to the January 1, 2019 assessment date at issue than other comparables in the record. The Board gives less weight to the board of review comparable #4 which differs from the subject in dwelling size and features an inground swimming pool not found in the subject property.

The Board finds the best evidence of market value to be the remaining board of review comparables which are more similar to the subject in age, design, dwelling size and most features although three of these comparables have finished basement area, in contrast with the subject's unfinished basement, suggesting a downward adjustment is needed to make these properties more equivalent to the subject. These four comparables sold in June 2019 to October 2020 for prices ranging from \$1,025,000 to \$1,625,000 or from \$256.38 to \$344.13 per square foot of living area, including land. The subject's assessment reflects a market value of

\$1,134,635 or \$246.66 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record on overall market value but below on price per square foot. Based on this evidence and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
