

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lilia Capatina
DOCKET NO.: 20-01917.001-R-1
PARCEL NO.: 16-35-404-010

The parties of record before the Property Tax Appeal Board are Lilia Capatina, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,329
IMPR.: \$120,983
TOTAL: \$160,312

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,796 square feet of living area. The dwelling was constructed in 1990 and is approximately 30 years old. Features of the home include a basement finished with a recreation room,¹ central air conditioning, two fireplaces and a 440 square foot garage. The property has an approximately 9,730 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The

¹ The board finds the best description of the subject's basement is found in the subject's property record card provided by the board of review disclosing the basement is finished with a 980 square foot recreation room, which was not reported by the appellant.

comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,860 to 3,138 square feet of living area. The dwellings are 39 or 40 years old. The comparables each have a basement, two of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 660 square feet of building area. The comparables have improvement assessments that range from \$120,324 to \$129,217 or from \$39.00 to \$42.07 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$114,006 or \$40.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,312. The subject property has an improvement assessment of \$120,983 or \$43.27 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,788 to 3,044 square feet of living area. The dwellings were built from 1984 to 1999. Each comparable has a basement finished with a recreation room, central air conditioning, either one or three fireplaces and a garage ranging in size from 576 to 696 square feet of building area. The comparables have improvement assessments that range from \$135,005 to \$176,524 or from \$44.35 to \$61.81 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2 due to their lack of a finished basement, a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are relatively similar to the subject in dwelling size, design, age and features. These five comparables have improvement assessments that range from \$120,324 to \$176,524 or from \$41.18 to \$61.81 per square foot of living area. The subject's improvement assessment of \$120,983 or \$43.27 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
