

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jay Paset
DOCKET NO.: 20-01921.001-R-1
PARCEL NO.: 16-10-316-007

The parties of record before the Property Tax Appeal Board are Jay Paset, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$59,472
IMPR.: \$103,043
TOTAL: \$162,515

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,951 square feet of above ground living area. The dwelling was constructed in 1964 and is approximately 56 years old. Features of the home include a finished lower level, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 17,320 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with tri-level dwellings of brick exterior construction ranging in size from 1,900 to 2,234 square feet of above ground living area. The dwellings range in age from 61 to 64 years old. Each comparable has a finished lower level and central air conditioning.

Comparable #1 has two fireplaces and comparable #2 has a 494 square foot garage. The comparables have improvement assessments that range from \$82,289 to \$95,339 or from \$40.06 to \$44.40 per square foot of above ground living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$83,161 or \$42.62 per square foot of above ground living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,515. The subject property has an improvement assessment of \$103,043 or \$52.82 per square foot of above ground living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with tri-level dwellings of brick and wood siding exterior construction ranging in size from 1,925 to 1,949 square feet of above ground living area. The dwellings were built from 1962 to 1964. The comparables each have a finished lower level, central air conditioning and a garage with either 462 or 529 square feet of building area. Comparable #1 has an additional unfinished partial basement and three comparables each have one fireplace. The comparables have improvement assessments that range from \$103,257 to \$110,813 or from \$52.98 to \$57.57 per square foot of above ground living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their lack of a garage or less similar dwelling size when compared to the subject. The Board has given reduced weight to board of review comparable #1 as it has an additional partial basement foundation, unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #3 and #4, which are overall most similar to the subject in location, dwelling size, design, age and features. These three comparables have improvement assessments that range from \$103,257 to \$103,734 or from \$52.98 to \$53.69 per square foot of above grade living area. The subject's improvement assessment of \$103,043 or \$52.82 per square foot of above grade living area falls below the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
