

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ivy Firestone
DOCKET NO.: 20-01931.001-R-1
PARCEL NO.: 16-27-307-004

The parties of record before the Property Tax Appeal Board are Ivy Firestone, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$82,201
IMPR.: \$73,510
TOTAL: \$155,711

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,876 square feet of living area. The dwelling was constructed in 1955 and is approximately 65 years old with a reported effective year built of 1959. Features of the home include a full basement that is partially finished with a recreation room, central air conditioning, two fireplaces and an attached garage with 611 square feet of building area. The property has a 16,820 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,458 to 1,914 square feet of living area and range in age from 67 to 71

years old. Each comparable has a full basement with one having finished area, one comparable has central air conditioning, three comparables each have one fireplace and each comparable has an attached garage that ranges in size from 240 to 638 square feet of building area. The comparables have improvement assessments that range from \$44,855 to \$69,531 or from \$30.76 to \$36.33 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$64,628.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,711. The subject property has an improvement assessment of \$73,510 or \$39.18 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with one-story dwellings of wood siding or brick exterior construction ranging in size from 1,755 to 1,884 square feet of living area. The homes were built in 1949 or 1955. Each comparable has a reported effective year built of 1959 or 1969. The comparables each have a basement that is partially finished with a recreation room, central air conditioning, one or two fireplaces and an attached garage that ranges in size from 286 to 611 square feet of building area. The comparables have improvement assessments that range from \$69,257 to \$77,496 or from \$39.18 to \$43.78 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to a smaller dwelling size and/or lack of finished basement area when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables which are more similar to the subject in location, age, dwelling size, and features. These comparables have improvement assessments that range from \$69,257 to \$77,496 or from \$39.18 to \$43.78 per square foot of living area. The subject's improvement assessment of \$73,510 or \$39.18 per square foot of living area falls within the range established by the best comparables in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
