

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tania Dimov
DOCKET NO.: 20-01943.001-R-1
PARCEL NO.: 16-36-417-005

The parties of record before the Property Tax Appeal Board are Tania Dimov, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,901
IMPR.: \$69,356
TOTAL: \$146,257

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 1,728 square feet of living area. The dwelling was constructed in 1948 with an effective built date of 1950 due to remodeling in 1993 and has a chronological age of approximately 72 years old. Features of the home include a full basement, central air conditioning, one fireplace, and a 209 square foot attached garage. The property has an approximately 11,700 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.49 of a mile from the subject property. The appellant reported that the comparables are improved

with 2-story dwellings of brick or wood siding exterior construction ranging in size from 1,935 to 2,136 square feet of living area. The dwellings range in age from 83 to 120 years old. Each comparable has a full basement with one having finished area, central air conditioning, and a garage ranging in size from 180 to 400 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$68,363 to \$70,731 or from \$33.10 to \$36.02 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$60,436 or \$34.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,257. The subject property has an improvement assessment of \$69,356 or \$40.14 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.57 of a mile from the subject property. The comparables are improved with 1.75-story or 2-story dwellings of brick, wood siding, or wood siding and stone exterior construction ranging in size from 1,605 to 1,754 square feet of living area. The dwellings were built from 1937 to 1949 with effective built dates from 1940 to 1967. The comparables each have a full basement with three having finished area. Four comparables each have central air conditioning. Each comparable has one or two fireplaces and a garage ranging in size from 220 to 525 square feet of building area. The comparables have improvement assessments that range from \$72,628 to \$103,889 or from \$45.17 to \$63.35 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #3, #4, and #5 due to differences from the subject in dwelling size, age/effective age and/or basement finish.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which are more similar to the subject in location, age, dwelling size, and most features. These comparables have improvement assessments of \$77,048 and \$93,369 or \$48.00 and \$53.23 per square foot of living area, respectively. The subject's improvement assessment of \$69,356 or \$40.14 per square foot of living area falls below the two best comparables in the record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
