

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Catherine Harrison
DOCKET NO.: 20-01951.001-R-1
PARCEL NO.: 16-34-201-013

The parties of record before the Property Tax Appeal Board are Catherine Harrison, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,130
IMPR.: \$87,118
TOTAL: \$143,248

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,237 square feet of living area. The dwelling was constructed in 1962 and is approximately 58 years old. The home has a reported effective age of 1964 due to remodeling in 1974. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 504 square foot garage. The property has an approximately 13,024 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables with the same assessment neighborhood code as the subject property and located within 0.85 of a mile from the subject. The comparables are reported to be improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 1,930 to 2,632 square feet of living area. The dwellings range from 42 to 84 years old. Each comparable has an

unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 220 to 528 square feet of building area. The comparables have improvement assessments that range from \$72,066 to \$87,829 or from \$32.91 to \$37.34 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$78,462 or \$35.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$143,248. The subject property has an improvement assessment of \$87,118 or \$38.94 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables with the same assessment neighborhood code as the subject property and located within 0.26 of a mile from the subject. The comparables are improved with 2-story dwellings of aluminum siding, composite, wood siding, or brick and wood siding exterior construction that range in size from 2,298 to 2,395 square feet of living area. The dwellings were built from 1952 to 1977 with effective built dates that range from 1966 to 1983. Each comparable has a basement with three having finished area, central air conditioning, and a garage ranging in size from 378 to 660 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$94,424 to \$107,470 or from \$39.43 to \$45.65 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to differences from the subject in dwelling size and/or age. The Board also gives less weight to the board of review comparables #1 and #3 which differs from the subject in age/effective age and/or lack a fireplace, a feature of the subject.

The Board finds the best evidence of assessment equity to be the three remaining board of review comparables which more similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$94,424 to \$102,363 or from \$39.43 to \$44.54 per square foot of living area. The subject's improvement assessment of \$87,118 or \$38.94 per square foot of living area falls below the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
