

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deidre McClurg  
DOCKET NO.: 20-02022.001-R-1  
PARCEL NO.: 16-25-303-032

The parties of record before the Property Tax Appeal Board are Deidre McClurg, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$102,105  
**IMPR.:** \$206,024  
**TOTAL:** \$308,129

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story dwelling of brick exterior construction with 4,058 square feet of living area. The dwelling was constructed in 1926 and is approximately 94 years old. The subject has a reported effective age of 1951. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 402 square feet of building area. The property has an approximately 12,760 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of 2 or 2.5-story dwellings of brick exterior construction ranging in size from 3,186 to 4,909 square feet of living area. The homes are 92 to 95 years old. Each dwelling has central

air conditioning and one or three fireplaces. Three of the comparables each have a garage ranging in size from 399 to 572 square feet of building area. Each dwelling has a basement with one having finished area. The comparables have improvement assessments ranging from \$139,050 to \$233,788 or from \$34.86 to \$49.67 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$180,459 or \$44.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$308,129. The subject property has an improvement assessment of \$206,024 or \$50.77 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of two-story dwellings of brick or wood siding exterior construction that were built from 1918 to 1928. The dwellings have effective ages of 1935 to 1975. The homes range in size from 3,553 to 4,663 square feet of living area. Each dwelling has central air conditioning, two or three fireplaces, and a basement with finished area. Three of the comparables each have a garage ranging from 393 to 440 square feet of building area. The comparables have improvement assessments ranging from \$188,010 to \$281,300 or from \$52.05 to \$60.33 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to significant differences from the subject in dwelling size and/or basement finish. The Board also gives reduced weight to board of review comparables #1 and #4 due to their significantly older or newer effective ages and/or lack of garage as compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3. The Board finds these comparables are most similar to the subject in dwelling size, location, age, and features. These comparables have improvement assessments of \$216,201 and \$188,010 or \$56.42 and \$52.92 per square foot of living area, respectively. The subject's improvement assessment of \$206,024 or \$50.77 per square foot of living area is bracketed by the best comparables in this record on an overall basis and falls below the best comparables on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
