

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Enrique Rodriguez
DOCKET NO.: 20-02030.001-R-1
PARCEL NO.: 16-10-321-002

The parties of record before the Property Tax Appeal Board are Enrique Rodriguez, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,503
IMPR.: \$66,951
TOTAL: \$122,454

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 1,454 square feet of living area. The dwelling was constructed in 1956 and is approximately 64 years old. Features of the home include a basement with finished area, central air conditioning, and a garage containing 598 square feet of building area. The property has an approximately 14,760 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 1,460 to 1,554 square feet of living area. The homes are 63 to 78 years old. Each dwelling has

central air conditioning and a basement with one having finished area. Two comparables each have a fireplace, and one comparable has a 400 square foot garage. The comparables have improvement assessments ranging from \$49,475 to \$61,211 or from \$33.88 to \$39.45 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$54,197 or \$37.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,454. The subject property has an improvement assessment of \$66,951 or \$46.05 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of one-story dwellings of brick or brick and wood siding exterior construction that were built from 1957 to 1961, with comparables #2 and #5 having effective dates of 1989 and 1966, respectively. The homes range in size from 1,428 to 1,468 square feet of living area. Each dwelling has central air conditioning. Two comparables each have one or two fireplaces, and four comparables each have a garage ranging in size from 242 to 736 square feet of building area. Four comparables each have a basement with finished area. The comparables have improvement assessments ranging from \$68,010 to \$74,760 or from \$46.84 to \$50.93 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to age, lack of finished basement area, and/or lack of garage when compared to the subject. The Board also gives reduced weight to board of review comparables #2 and #3 due to foundation type or lack of garage as compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #4, and #5, which are most similar to the subject in dwelling size, location, age, and features. These comparables had improvement assessments that ranged from \$73,329 to \$74,760 or from \$50.59 to \$50.93 per square foot of living area. The subject's improvement assessment of \$66,951 or \$46.05 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
