

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roberta Teitelbaum
DOCKET NO.: 20-02118.001-R-1
PARCEL NO.: 16-26-303-007

The parties of record before the Property Tax Appeal Board are Roberta Teitelbaum, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 91,804
IMPR.: \$158,417
TOTAL: \$250,221

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 4,246 square feet of living area. The dwelling was constructed in 1978 and is approximately 42 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 552 square foot garage. The property has a 15,010 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables consist of two-story dwellings of brick exterior construction. The homes were 41 to 70 years old and range in size from 3,952 to 4,436 square feet of living area. Each dwelling has a full basement, one of which has finished area. Features include central air

conditioning, one or two fireplaces and an attached garage ranging in size from 484 to 621 square feet of building area. The comparables have improvement assessments ranging from \$136,462 to \$150,926 or from \$32.73 to \$34.53 per square foot of living area.

Based on this evidence, the appellant requested a reduced improvement assessment of \$144,289 or \$33.98 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,221. The subject property has an improvement assessment of \$158,417 or \$37.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction. The homes were 34 to 52 years old and range in size from 3,651 to 5,002 square feet of living area. Each dwelling has a full basement, four of which have finished area. Features include central air conditioning, one or three fireplaces and an attached garage ranging in size from 539 to 726 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$154,824 to \$209,579 or from \$38.00 to \$43.86 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #1 due to its age of 70 years when compared to the subject's age of 42 years old. The Board has given reduced weight to board of review comparables #1 and #5 which each differ substantially from the subject in dwelling size and based on comparable #1 having an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2, #3 and #4 along with board of review comparables #2, #3 and #4 which present varying degrees of similarity to the subject in age, dwelling size and some features. These comparables have improvement assessments that range from \$136,462 to \$177,109 or from \$34.18 to \$43.86 per square foot of living area. The subject's improvement assessment of \$158,417 or \$37.31 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best

comparables for differences in age, finished basement and other amenities, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
