

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Rogin
DOCKET NO.: 20-02163.001-R-1
PARCEL NO.: 16-25-101-004

The parties of record before the Property Tax Appeal Board are Steven Rogin, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$98,978
IMPR.: \$120,432
TOTAL: \$219,410

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and stucco exterior construction with 3,088 square feet of living area. The dwelling was constructed in 1941 and is approximately 79 years old. The dwelling has a reported effective age of 1970.¹ Features of the home include a basement that is finished with a recreation room, central air conditioning, two fireplaces and a 525 square foot garage. The property has a 12,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity

¹ The subject's property record provided by the board of review disclosed the subject dwelling was remodeled in 2007 and has an effective year built of 1970. The property record card also disclosed the subject dwelling has a 1,265 square foot basement recreation room, which was not reported by the appellant.

comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 2,745 to 3,264 square feet of living area. The dwellings range in age from 49 to 74 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 437 to 723 square feet of building area. The comparables have improvement assessments that range from \$85,766 to \$115,041 or from \$31.24 to \$35.74 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$108,885 or \$35.26 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$219,410. The subject property has an improvement assessment of \$120,432 or \$39.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,880 to 3,513 square feet of living area. The dwellings were built from 1940 to 1947 and have reported effective ages ranging from 1967 to 1976. The comparables each have a basement finished with a recreation room, central air conditioning, one to three fireplaces and a garage ranging in size from 440 to 725 square feet of building area. The comparables have improvement assessments that range from \$123,011 to \$133,836 or from \$38.95 to \$44.19 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #2 and #4 which differ from the subject in age or have an unfinished basement in contrast to the subject's basement that is finished with a recreation room. The Board has given reduced weight to board of review comparable #3 due to its larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and board of review comparables #1, #2 and #4, which are overall more similar to the subject in dwelling size, design, age and features. These four comparables have improvement assessments that range from \$107,460 to \$133,836 or from \$35.26 to \$44.19 per square foot of living area. The subject's improvement assessment of \$120,432 or \$39.00 per square foot of living area falls

within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
