

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marina Shapiro
DOCKET NO.: 20-02209.001-R-1
PARCEL NO.: 16-25-105-057

The parties of record before the Property Tax Appeal Board are Marina Shapiro, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$130,837
IMPR.: \$71,303
TOTAL: \$202,140

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch-style dwelling of brick exterior construction with 2,080 square feet of living area. The dwelling was constructed in 1953 and is approximately 67 years old. The home has an effective built date of 1974 due to remodeling in 2015. Features of the home include a slab foundation, central air conditioning, one fireplace, and a 462 square foot attached garage. The property has an approximately 18,883 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.49 of a mile from the subject property. The comparables are improved with ranch-style dwellings of brick or wood siding exterior construction ranging in size from 1,671 to 2,344 square feet of

living area. The dwellings are from 61 to 104 years old. Each comparable has a basement, central air conditioning, one or two fireplaces, and a 308 to 528 square foot garage. The comparables have improvement assessments that range from \$28,716 to \$78,564 or from \$17.18 to \$33.52 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$55,068 or \$26.48 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,140. The subject property has an improvement assessment of \$71,303 or \$34.28 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within 0.60 of a mile from the subject property. The comparables are improved with ranch-style dwellings of brick or wood siding exterior construction ranging in size from 1,706 to 2,173 square feet of living area. The dwellings were built from 1930 to 1962 with effective built dates ranging from 1954 to 1966. Each comparable has a basement with one being a walk-out style, central air conditioning, one fireplace, and a 362 to 525 square foot garage. The comparables have improvement assessments that range from \$60,652 to \$87,775 or from \$34.28 to \$40.39 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 as well as board of review comparable #2 which differ from the subject in dwelling size and/or age.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are more similar to the subject in location, design, age, dwelling size, and most features; however, each comparable has a basement, a feature the subject lacks, suggesting downward adjustments for this difference would be appropriate to make them more equivalent to the subject. The comparables have improvement assessments that range from \$50,666 to \$87,775 or from \$25.13 to \$40.39 per square foot of living area. The subject's improvement assessment of \$71,303 or \$34.28 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
